

## **Telegraph Road Citizen Information Meeting Comment Summary**

**Meeting Date: October 30, 2008**

Summary prepared on October 13, 2008

### **VDOT Projects**

**0611-029-303, P102, R202, C502**

**From Beulah St. to 0.4 mi. south of Hayfield Rd.**

**0611-029-303, P106, R206, C506**

**From 0.4 mi south of Hayfield Rd. to S. Kings Hwy**

On October 30, 2008, a Citizen Information Meeting was held at Hayfield Secondary School for the two referenced projects. Eighty-nine citizens entered their names on the sign-in sheet. Sixty-three written comments were received, and are summarized below in the order of their preponderance:

- 24 Minimize or eliminate impacts to Greendale Golf Course
- 14 Eliminate left turn lanes at Hayfield Farms subdivision
- 10 Improve existing flooding problems at Hayfield Farms & vicinity
- 7 Widening project is needed/supported
- 4 Coordinate w/ schools to provide for safety & full access by students
- 3 Stop improvements at intersection with South Kings Hwy
- 3 Widen only to the east side of Telegraph Rd
- 2 Project will result in bottleneck at South Kings Hwy
- 2 Eliminate medians from design
- 2 Put plans on web site
- 2 Provide median break at Piney Run/Hilltop Golf Course entrance

1 comment each for the following issues

- Shift impacts from golf course to Huntley Meadows park
- Spend money on public transportation instead
- Include bike lanes
- Relocate HEC entrance to across from animal hospital
- Open Mulligan Rd. in advance of Telegraph Rd. widening
- Without tree buffer, stray golf balls will hit cars
- Widen only to the west side of Telegraph Rd.
- Eliminate shared use path
- Consider ped bridge over Telegraph from Hayfield SS to Hayfield ES
- Make sure to coordinate with USCG
- Place trails in easements on private property rather than in VDOT R/W
- Make inside lane 35 mph and curb lane 25 mph
- Cancel both projects
- Reduce speed limit from 45mph to 35 mph
- Provide SB turn lane at Piney Run Independent Living Facility

## **Telegraph Road Citizen Information Meeting Comment Summary**

**Meeting Date: October 30, 2008**

### **Page Two**

- Shift centerline to the south @ Mulligan Rd.
- Coordinate plans w/ Ffx Co. rezoning & site plan for Hilltop Sand & Gravel.
- Minimize impacts to 9-hole Hilltop Golf Course.
- Provide signals @ intersections, especially at intx w/ Helmsdale
- Road impacts will degrade quality of life in Piney Run subdivision
- There were no public hearings for Mulligan Road; it should be relocated away from Piney Run subdivision
- Provide safer entrance to Piney Run subdivision
- Avoid impacts to cemetery across from Hilltop Golf
- Route SB Telegraph Rd. along the alignment of existing Old Telegraph Rd
- Do not remove right turn lane @ Helmsdale Lane
- Prefer total take of house to construction of retaining wall
- Provide left turn lane/median break at Roxanne Drive
- Eliminate one of the two thru lanes into Hayfield Farms
